Dear Jason,

Thank you for your donation!

It's not fine that the U.S. is among the most dangerous developed nations in which to give birth. Your gift to March of Dimes makes you a champion in the fight for moms and babies everywhere. Generous donors like you help us fund critical research, programs and advocacy that directly impact families in your community and across the country. We look forward to your continued support to help us ensure that moms and babies get the care and support they need to be healthy and strong.

Also, if your company offers [matching gifts](#), your donation could be doubled. Find out if your company offers matching gifts.
